# 2017

**October** has been a very busy month for everyone here at Norwood House. We have had two new residents join us this month, and there have been a variety of singers in to entertain our residents.

On the 17th October 2017 Danny became our 'official' Deputy Manager ~ Well Done! Danny has been at Norwood house for over 17 years, and has seen quite a number of changes over that time. He is delighted with his promotion and is glad to be working very closely with Kelly, our Manager, and Karen our Acting Deputy.

A spooky reception.

Norman was delighted with his cake, and (luckily) was happy to share it with other residents and staff. Glad you had a good day Norman - ***Manny Happy Returns.***

## WELCOME

Peter—(pictured here with his wife) and Patricia, our two newest residents, who joined us in October

Over the years Peter has been employed a 'Motor Mechanic', and worked for Hammonds 'Land Rover' for over 14 years. Before that he helped keep Suffolk's emergency rescue vehicles on the road, working on Fire, Ambulance and Police cars.

His skills have come in handy with the 'restoration' of his much loved 'Austin Healey' which he took off the road in the winter of 1968. Over the years he has stripped the car and re-built all the bodywork and engine.

Peter is also a big 'steam train' fan, and enjoys watching the Grand Prix whenever he can.

Patricia has a reputation as an excellent baker, and demonstrated her skills by lending a helping hand at the 'Cake Bake' sessions recently. She also enjoys needlepoint, painting and tapestry. As an only child she grew up in south London, where during the war she was evacuated to Kent.

Patricia was employed as a 'Comptometer Operator' (a manual adding machine - a kind of type writer for 'numbers' - used well before computers!) and was one of the fastest operators in the job. She was also one of the last women to be employed using one of these machines in the UK.

## Remember when we had one of those.....

Kelly and Dorothy recently enjoyed a trip out to the 'Darsham Station Emporium', which is a hidden gem for antiques, collectables and memorabilia.

They were amazed to discover a wealth of items from by-gone-days, and some of the things Dorothy remembered having growing up and in her own home.

The ladies were so impressed with all the interesting things they saw, that they decided to bring some items back to Norwood House so that other residents could enjoy remembering when they used to use them.

The Emporium is run by Geoff and Margaret Reade, and is well worth a visit if you enjoy having a good rummage amongst old interesting collectables.

# Christmas Performance

On Friday 22<sup>nd</sup> December 2017 at 2.00pm

We will be joined by Ipswich Hospital Band  
who will be playing an assortment of  
Christmas music and Carols

You are all welcome to join us for music,  
mulled wine and mince pies.

# *Whatever the Weather!*

Here at Norwood House our residents never let the weather dampen their spirits. Despite not been able to get out into the garden as much as they used to, they don't let it get them down.

Come said the leaves to the  
wind one day,  
Come o'er the meadows and  
we will play.

Put on your dresses

For summer is gone and  
the days grow cold.

Many of you probably remember the first verse of the old 'Guy Fawkes Day' poem, but how many of you know the rest?

## Guy Fawkes Day Poem

Remember, remember, the 5th of November  
The Gunpowder Treason and Plot;  
I know of no reason why Gunpowder Treason  
Should ever be forgot!

Guy Fawkes and his companions  
Did the scheme contrive,  
To blow the King and Parliament  
All up alive.

Threescore barrels, laid below,  
To prove old England's overthrow.  
But, by God's providence, him they catch,  
With a dark lantern, lighting a match.

A stick and a stake  
For King James's sake!  
If you won't give me one,  
I'll take two,  
The better for me,  
And the worse for you.

A rope, a rope to hang the Pope,  
A penn'orth of cheese to choke him,  
A pint of beer to wash it all down,  
A jolly good fire to burn him.

Halloa, boys! Halloo boys! Make the bells ring!  
Halloa, boys! Halloo boys! God save the King!

Hip, Hip, Hoor-r-r-ray!  
*An English Folk Verse (c 1870)*

One of the key things we are all encouraged to do as we get older is to keep our brains active. The Dementia UK website reminds us that Hobbies like art, needlework, knitting, puzzles and listening to music help stimulate different areas of our brain and help with attention and concentration.

Rebus puzzles come in two different types. The first use all pictures, as well as small parts of words, and the second almost exclusively use words. Why not have a go at our Rebus Puzzle and see how you do - **Good Luck!**

*(To help you out we have given you the answer to the first question).*
